Dear Mr. Shepherd:

U.S. EPA and Illinois EPA hereby approve the July 1990 "Second Work Plan Supplement- Waukegan Remedial Site-Marville Sales Corporation" (Second Supplement) with the attached pages 1 and 7 substituted for the original pages 1 and 7 of the document. As stated on page 3 of the Second Supplement, the work described in the Second Supplement shall be done pursuant to the Consent Decree and shall be enforceable thereunder.

U.S. EPA will make every effort to have a field oversight person on-site by August 8, 1990; however, no actual construction work shall begin until a U.S. EPA representative is present on-site. You will be contacted as soon as possible once the availability of the U.S. EPA on-site representative is known.

Please contact me at (312) 886-4742 if you have any questions concerning this letter.

Sincerely yours,

Brad Bradley  
U.S. EPA RPM
